**Arrival & Dismissal**– Students enter through the Chestnut Street door in the morning and there is staff to assist with arrival until 8:35. If your child arrives after 8:35 please come to the office and accompany your child into the school. Please do not just drop your child off at the office. We need to make sure students are getting safely to class and checking into the office if they arrive after 8:35. The Chestnut Street driveway should only be used for handicap access both at the beginning and end of the day. We ask that you follow these rules in order to keep students safe and that you not block the driveway at the beginning and end of the day for families that do require handicap access parking spaces.
