

## Coming soon to Letourneau...

At Letourneau, we are excited to announce that we will be kicking off an enrichment block on Fridays from 2:15–3:00 PM, starting February 9th. During this time, children will have the opportunity to select a topic that they'd like to learn more about for six weeks. Teachers will design courses that are interesting and fun for children. Here are some examples...

- Painting
- Debate team
- School Newspaper
- Fun with Food
- Designing Board Games
- Makerspace

... and many, many more
