

What is the Tansey PTO?

- Tansey PTO is a support group for Tansey Elementary.
- When you join the Tansey PTO, you are not committed to serve a set certain amount of time! You can volunteer whenever you are able and would like. You decide how involved you will be with the Tansey PTO.
- We also understand that families have many commitments, and are not able to attend events, meeting or volunteer. By signing up you can just be an informed parent, by being aware of all PTO communications!
- 100% of the money raised by the Tansey PTO will be used for Family events, helping teachers purchase items for their classrooms, things for the school building, field trips, field day, and much more!

By joining the Tansey PTO you are showing your support for our school!
